

June 2007

Association of Teacher Educators
Presidential Appointments
Interest Form

The Association of Teacher Educators organizational structure provides multiple opportunities for members to participate actively in the affairs of the association. Each President-Elect appoints a significant number of individuals to positions on standing committees (i.e. Corporate By-Laws, Resolutions and as Chairs of standing committees). Also, each President has the opportunity to appoint task forces and commissions. Appointments are for three years. Information regarding the purpose of standing committees is available on the ATE website www.ate1.org. Note that Conference Planning Committees (Washington DC Summer 2008 & Dallas Feb. 2009) have already been appointed.

As President-Elect of the Association which was effective at the close of the Annual Conference February 2007, I am still interested in identifying individuals who have a desire to serve the Association by serving on a Committee, task force or commission. If you are interested please complete this form and put it in the box at the Milwaukee Summer Conference registration desk or mail to me; Texas State University, A155 Jowers, San Marcos, TX 78666 or by e-mail paese@txstate.edu. Phone: 512-245-2908

Thank you,

Paul C. Paese, President-Elect
