

## ASSOCIATION OF TEACHER EDUCATORS

### Presidential Appointments Volunteer Interest Form

The Association of Teacher Educators organizational structure provides multiple opportunities for members to participate actively in the affairs of the association. Each President-Elect appoints a significant number of individuals to positions on standing committees (i.e. Corporate By-Laws, Resolutions, etc.). Also, each President has the opportunity to appoint task forces and commissions. Appointments are for three years. Information regarding the purpose of standing committees is available on the ATE website [www.ate1.org](http://www.ate1.org) (click on "Governance" and then "Standing Committees"). Note that Conference Planning Committees are appointed well in advance of the meetings.

If you are interested in serving the Association by volunteering for work on a Committee, task force or commission, please complete this form and email to [dritchey@ate1.org](mailto:dritchey@ate1.org).
