ASSOCIATION OF TEACHER EDUCATORS

Duaine C. Lang Distinguished Mentoring Award

Sponsored by the Duaine C. Lang Mentoring Fund

Award Description

The **Duaine C. Lang Distinguished Mentoring Award**, sponsored by the Leadership Foundation for Teacher Education (LFTE), honors individuals who exemplify the spirit of mentorship within ATE. This award recognizes ATE members whose guidance, encouragement, and support have significantly influenced protégés, fostering leadership, professional growth, and long-term involvement in the Association of Teacher Educators. The award includes a plaque for the recipient and a donation made in their name to their state/regional ATE unit. If no such unit exists, the donation will be directed to the ATE Leadership Academy.

Award History

Duaine C. Lang was a lifelong leader and mentor within ATE, having served as **President of ATE (1974–75)** and as a driving force behind the creation of the Leadership Foundation for Teacher Education (LFTE). He was named a Distinguished Member of ATE and received Presidential Service Awards in 1985, 1988, and 1995. At conferences, he was a constant presence—whether running raffles, maintaining records, or mentoring doctoral students, affectionately known as the Roadrunners, at Indiana University Bloomington.

Lang's mentorship shaped the careers of many teacher educators, including four future ATE Presidents: Peggy Elliott, Jan Towslee, Shirley Robards, and Tom Buttery. His protégés also went on to serve as Board members, committee chairs, and leaders across the Association. Originally from Nebraska, Lang spent most of his career at Indiana University, after teaching at Butler University in Indianapolis. His deep commitment to ATE extended to his family, with his children and grandchildren often joining him at ATE Summer Conferences.
