ASSOCIATION OF TEACHER EDUCATORS

# Robert F. Schuck Distinguished Research in Teacher Education Award

***Sponsored by the Robert Schuck Fund***

## Award Description

The **Robert F. Schuck Distinguished Research in Teacher Education Award** recognizes and promotes exceptional research that makes a substantial contribution to the improvement of teacher education. Through this award, the Association of Teacher Educators seeks to:

1. Encourage research that advances the development of teacher education.
2. Support the dissemination of research findings nationally and internationally.
3. Expand the knowledge base of teacher education.

## Award History

This award was established in honor of **Robert F. Schuck** to recognize his lasting contributions to teacher education and to encourage rigorous scholarship that strengthens the field.

## Eligibility and Expectations

- Articles may be submitted by the **author(s)** or nominated by a **reader**.
- Authors do **not** need to be members of ATE.
- Eligible articles must:
    - Report **empirical research** directly related to teacher education.
    - Be **published** (or accepted and scheduled for publication, with official notification) in a **peer-reviewed journal** within two years of the submission deadline.
    - Not exceed **25 pages** (excluding references).
- Recipients are expected to:
    - **Register for and attend** the ATE Annual Meeting and Awards Banquet.
    - **Present** their research during the year they are honored.

## Nomination and Application Process

A complete submission must include:

1. **PDF copy** of the published or accepted article.
2. **Cover page** with the following information:
    - Title of the article
    - Name(s) of the author(s)
    - Journal title, issue, and date of publication
    - Complete contact information for all authors:
        - Name, title, institution

        - Mailing address, telephone number, email
    - Name and contact information of the nominator (if different from the author)

---

**Review Process**

The **Research Sub-Committee of the Educational Programs and Planning Committee** reviews all submissions. Articles are evaluated on:

- Clarity and persuasiveness of the research problem/question and rationale
- Appropriateness and rigor of the theoretical framework and methods
- Quality and persuasiveness of conclusions and interpretations considering reported data
- Significance of implications for teacher education
- Overall quality of writing

---

**Timeline and Notification**

- **Submission Deadline**: May 15 at 11:59 PM (EST)
- **Notification of Award**: Mid November

---

**How to Apply**

- **Submit application material through the awards submission linked below:**
  **Awards Submission Form**
